PRESENTATION

Packaging

Units / Box	100
Boxes / Pallet	120

INSTALLATION

- The regulations and laws applicable in the territories where the materials are installed must be respected at all times.
- For any queries regarding the recommendations from Yesos Ibéricos for the installation or for technical support, please contact our Customer Service and Technical Assistance number **+34 902 023 323** or write to the e-mail address **info@pladur.com**.

PRECAUTIONS

- We only guarantee the results obtained in our tests or predictions, as set out in our technical documentation, when the product is used in combination with other original Pladur® products (boards, profiles, compounds, screws and accessories).
- For detailed information on safety, please read the product safety data sheet.

STORAGE & HANDLING

- Store horizontally, on a dry and flat surface, preferably protected from sunlight and rain.
- We recommend wearing mechanical protection gloves when handling the profiles, as advised in Standards EN 420 and EN 388.
